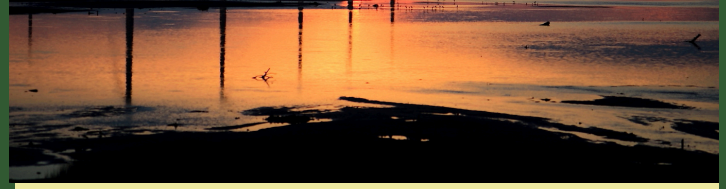
SOLUTION

SOLUTION CARDS

ENERGY BASED PROBLEMS

LAND BASED PROBLEMS

WATER BASED PROBLEMS



HOW TO PLAY

GAME SETUP:

SHUFFLE THE PROBLEM CARDS AND DISTRIBUTE 6 CARDS, TWO FROM EACH PILE, TO EACH PLAYER. SHUFFLE THE SOLUTION CARDS AND THE CHALLENGE CARDS AND PLACE THEM BETWEEN THE PLAYERS. THE REMAINING CARDS FORM A DRAW PILE OF SEPARATE PROBLEM AND SOLUTION CARDS. CREATE A SEPARATE PILE FOR THE PROBLEM CARDS NOT DISTRIBUTED TO PLAYERS FOR ANY REQUIRED CHANGES DURING CHALLENGES.

GAMEPLAY RULES:

STARTING THE GAME: THE YOUNGEST PLAYER GOES FIRST. PLAYERS TAKE TURNS IN A CLOCKWISE DIRECTION.

PICK AND PLAY: PLAYERS SHOULD PICK AND PLAY ONCE PER ROUND UNLESS OTHERWISE STATED ON A POSSIBLE CHALLENGE CARD.

FLIP AND MATCH: ON A PLAYER'S TURN, THEY DRAW THE TOP CARD FROM THE DRAW PILE OF SOLUTION CARDS AND PLACE IT ON THE CORRESPONDING PROBLEM TO SOLVE IT. ONE SHOULD DRAW THEIR CARD TOWARDS THEMSELVES WITHOUT SHOWING IT TO ANYONE ELSE.

IF THE PLAYER IDENTIFIES A MATCH, THEY MUST SHOUT "ECO RUSH!" TO CLAIM THE PAIR. IF NOT, THEY SHOULD DROP IT FACE UP, AND ANOTHER PLAYER CAN CLAIM IT IF THEY NEED IT TO SOLVE ONE OF THEIR PROBLEMS AND DROP ONE OF THE ONES THEY HAVE OR DON'T NEED.

CLAIMING A PAIR: IF THE PLAYER CORRECTLY MATCHES A PROBLEM WITH ITS SOLUTION, THEY COLLECT THE PAIR AND PLACE IT IN FRONT OF THEM. THE PLAYER WHO CLAIMS ALL SIX OF THEIR PROBLEM AND SOLUTION CARDS MATCH CORRECTLY WINS.

CHALLENGE CARDS: INTRODUCE CHALLENGE CARDS THAT PLAYERS WILL POSSIBLY PICK FROM THE SOLUTION PILE. THESE CARDS WILL BE CHALLENGES TO TAKE ON WHILE PLAYING, SUCH AS PICKING TWO (2) CARDS FROM ANY PLAYER OR CHANGING ONE PROBLEM FOR ANOTHER FROM THE PROBLEM PILE.

HOW TO WIN

GAME END: THE GAME ENDS WHEN THE FIRST PLAYER COMPLETES THEIR PROBLEMS WITH MATCHED SOLUTIONS. THIS PLAYER WILL BE DECLARED AS THE "ECO RUSH CHAMPION."

OUR INTENTION.

EDUCATIONAL ASPECT: ECO RUSH SERVES AS AN EDUCATIONAL TOOL TO INCREASE PLAYERS' UNDERSTANDING OF CLIMATE CHANGE CHALLENGES AND SOLUTIONS. BY ENGAGING IN THE GAME, PLAYERS LEARN ABOUT THE IMPORTANCE OF ADDRESSING CLIMATE CHANGE AND THE ROLE THAT VARIOUS SOLUTIONS PLAY IN CREATING A SUSTAINABLE FUTURE FOR EAST AFRICA. AS PLAYERS BUILD THEIR CLIMATE CHANGE KNOWLEDGE, THEY BECOME MORE CONSCIOUS OF THEIR IMPACT ON THE ENVIRONMENT AND ARE MOTIVATED TO TAKE REAL-WORLD ACTIONS TO COMBAT CLIMATE CHANGE IN THEIR COMMUNITIES AND BEYOND. THE GAME PROMOTES A SENSE OF URGENCY AND COLLABORATION, ENCOURAGING PLAYERS TO COLLECTIVELY WORK TOWARDS A MORE SUSTAINABLE AND RESILIENT EAST AFRICA.
